

# Problem selecting the right hard drive?

## WD has the solution.

**WD Caviar® Blue™**  
Performance and reliability  
for everyday computing.

**WD Caviar® Green™**  
Cool, quiet, eco-friendly.

**WD Caviar® Black™**  
Maximum performance  
for power computing.

## The power of choice. The quality of WD.

We think it should be easier to get the exact hard drive that best fits your needs. That's why we created a colorful way to help you find it. As in, true blue for reliable quality in everyday use. Black when you demand the highest performance. And green lets you do more while using less energy. These drives are ideal for business, home use, or high performance desktops, in capacities up to 1 TB. With our renowned leading-edge engineering, you'll find the WD hard drive that fits perfectly. Simply look for your color first.
